THE RIDE

The ride itself will be a rolling depart at British Cycling's stand from 10am onwards on Saturday 16th June, with the last riders needing to have set off by 1:30pm that day.

It's a self-guided ride taking place along the Peak District's very own Strade Bianchi, along the beautiful High Peak and Tissington trails. At no point will you be riding on open roads/highways!

The route runs north up the High Peak trail to Parsley Hay, then turns south onto the Tissington trail until you reach Hartington Station, which is the turn-around point. The route back is exactly the same but in reverse.

You're in for a gentle journey of approximately 8 beautifully flat miles.

Please take care and be courteous when riding on the trails as they're open to the public and most likely busy with other cyclists and walkers.

All participating kids receive a free Fredericks ice cream on their return to the Festival.

On return to the Festival site all riders MUST report to the British Cycling stand to sign back in, letting us know you're back safe and sound.

Please remember it's a journey not a race, so enjoy the sights, sounds and beauty of the trails.

THE GOOD TO KNOWS

All riders must wear a cycle helmet that meets current European safety standards.

All under 18's must be accompanied at all times by a parent or guardian, who will need to complete a quick and easy form before departure. .

When riding on the trails please keep to the left-hand side.

There are no course marshals on the route. This is a self-guided ride.

Please attach your jersey number to the front or rear of your clothing. They're self-adhesive so no need for safety pins.

A vintage bike is not required, but getting getting kitted out in vintage attire up would certainly add to the occasion.

Each ticket entitles 1 x adult and 1 x child to ride. All children must be accompanied by a parent or guardian at all times.

All entrants to the British Cycling Family Ride must have purchased either a day ticket or 3 day ticket in order to access the Festival.

Be sure to bring some essentials just in case. We suggest inner tubes, pump and mini tool kit.

When registering at the British Cycling stand please try not to wheel your bikes up to the desk as this can elongate the queue.
