

EROICA BRITANNIA DOWNLOAD YOUR RIDE TICKETS FOR 'THE 500 RIDE' SUNDAY 18TH AUGUST 2019

VIEW & PRINT YOUR TICKETS NOW!

Our ticket view & print function is now live! You can now log-in to your account to view and print all tickets purchased. These can be quickly printed direct from your account to be brought with you to Rider Registration which is located at the Eroica Britannia Camp located at the entrance of Peakender on Agricultural Way of the Bakewell Showground.

If you have purchased tickets on behalf of someone else you'll need to save each ticket individually as a PDF, and email those tickets on to that person/those people who will need to print and bring them to Rider Registration.

HERE'S HOW TO

[Please click here to SIGN IN to your account](#) using the email address and password you set when originally creating your account. If you can't remember your password click on the 'forgot password' link on the same page to re-set.

Once logged in click 'My Account', then 'My Tickets, from there you'll be able to click the 'Download Ticket' button which will download your ticket onto your computer. This will allow you to save each ticket locally to your computer, and they can then be shared with anyone who you've purchased those tickets on behalf of for them to bring to Rider Registration.

To print your ticket, open the PDF ticket that you have just downloaded select your printer and print away!

Important note - you must have a PDF reader installed on your computer to save your tickets as a PDF. [If you don't already have that please click here to download a free copy of Adobe PDF Reader.](#)

We prefer that you print your Ride ticket. If you don't have access to a printer we can accept a digital version via a smartphone/device at Rider Registration. However, this relies on your phone having at least a 3G connection at Rider Registration. As a precautionary measure against poor internet connectivity on-site we advise to take screen-shots of each ticket purchased, save as a photo in your smartphone's library, and then present each ticket in photo format when you arrive to register.

Without a valid ticket you won't be able to Ride. Please note - as a change to previous years we will not be issuing a Rider wristband.

So, tickets can be viewed and printed between now and the date on which you're planning to arrive. [Click here to access our ESSENTIAL INFORMATION GUIDE for all other important need to know about arrivals, ride information etc...](#)

If you experience any technical difficulties please email tech support on info@tickettannoy.com.
